

# Reasons To Choose RenVilla Health Center For Your Rehab.....

*I accidentally fell on the ice when I went to get my mail. I broke my neck and went from RC Hospital to St. Cloud hospital. I personally asked to come to the RenVilla for rehab. I was in very rough shape when I arrived at the RenVilla. I can't say enough about all of the staff and good care I received. My food was great and I received excellent therapy. I am definitely stronger now than I was prior to my fall. I would definitely recommend the RenVilla Health Center to anyone that is in need.*
