

# Reasons To Choose Renville Health Services For Your Home.....

*When I turned 99 years old I decided that I was going to move to Renville Health Services. I feel very fortunate to be here, I truly enjoy each and every day. I always have good food and I love all the staff, they are so kind. I have lots of company and everyone is always welcome. I just celebrated by 104th Birthday here. This is my life and I am so thankful this is my home.*
